AGSM AIM ACQUIRES THE GLOBAL POWER GROUP

Verona, 10 November 2025 - AGSM AIM Energia, part of the AGSM AIM Group, has completed the acquisition of the Global Power Group (Global Power S.p.A. and Global Power Plus S.r.l.) from Vittoria Srl.

Global Power has been operating since 2004 in the sale of electricity and gas, serving around 50,000 supply points across Italy, with a strong presence in Public Administration (over 1,000 municipalities), the reselling market, and retail, including private individuals and SMEs through Global Power Plus.

This acquisition represents an important step in AGSM AIM's growth, in line with the 2025–2030 Industrial Plan, which aims to strengthen the Group's role as a leading multi-utility in the energy transition and to expand its customer base to 1.2 million by 2030. The Group's management emphasises that the transaction confirms their intention to expand nationally and the solidity of their business strategy, focusing on quality, innovation, and strategic investments to achieve increasingly comprehensive coverage across Italy.
